ABOUT US

WHO WE ARE

We are a unique professional services company, our services are custom-made to cater for your specific needs.

Slindile Mnguni, the founder and MD of Evelation Accounting is a qualified Chartered Company Secretary with extensive experience in both public and private sector.

We are passionate about the growth and sustainability of small businesses in South Africa and helping them reach their full potential by providing them with consulting, administrative, accounting and tax professional services to ensure that they can comply and effectively do business with government and big corporates.

We understand your challenges and are able to find viable solutions and work around your needs. To us you are not just another client we treat you like our only client. We are there each step holding your hand when you need us to, educating and empowering management. We guarantee a unique, individual experience for all our clients.

MEET THE CEO

Slindile Mnguni founder and MD of Evelation Accounting completed her BCom (Accounting) and BCom (Acc Hons) at UKZN Howard College. Went on to do articles at Deloitte and has extensive experience in both public and private sector, having worked for Ethekewini Municipality and Unilever.

She is passionate about the growth and sustainability of small businesses in South Africa and helping them reach their full potential by providing them with consulting, administrative, accounting and tax support to ensure that small businesses can comply and do business with big corporates.

OUR VISION

We want to be the accounting services company of choice for small and medium businesses, entrepreneurs and individuals; known for helping clients achieve their financial and business goals by going the extra mile.

OUR MISSION

To provide businesses, entrepreneurs and individuals with the highest quality business services delivered in a timely, efficient and innovative manner with a personal accessible touch at affordable prices and exceed clients' expectations thus leaving a lasting impression.

Evelation exists to ever elevate small businesses to the next level (from informal to formal) business by providing sound financial controls and systems and ensuring compliance with applicable laws and regulations.
